

Southern Maryland
SPRING FESTIVAL
St. Mary's County Fairgrounds
May 4th thru May 7th 2017

January 23, 2017

Dear Artists, Crafters, and Commercial Vendors:

The 24th Annual Southern Maryland Spring Festival 2017 will be held on May 4th—May 7th at the St. Mary's County Fairgrounds in Leonardtown, Maryland.

The Spring Festival is held annually to benefit Holy Face Church and three local charities. The three-day Spring Festival gets more popular every year and our Spring Festival Committee is working hard to increase the number of attendees at our event by having more attractions and vendors each year.

Spaces are available for rent by artists, crafters, and commercial vendors at the Spring Festival based on a first-come, first-served basis. Priority will be given to participants of the 2016 Spring Festival. The 8' x 10' indoor spaces rent for \$60 each. Our outdoor spaces rent for \$120. We are also allowing vendors to rent tables for an additional \$10 fee per table. Please see the enclosed application and "Rules of the Show" for more details. Completed contracts with payment should be sent to Barbara Lamb no later than April 1, 2017.

Vendors may advertise in the Spring Festival Program. The multi-page 4"x5" program is given out prior to and during the Spring Festival. A sheet describing the advertising rates is enclosed. If you are interested in placing an advertisement in our program, please complete the form and fees when you return your application and fee for the space rental. All vendors automatically upgrade their ad size (one size) when they submit their space rental application and fee with their paid advertisement.

A Silent Auction will be held to benefit the Spring Festival. If you would like to make a tax-deductible donation to the Silent Auction (services, basket, or products), please indicate on the application that you are interested in donating and what you will be providing.

We thank you for your patronage and hope you will join us this year at Spring Festival 2017.

For more information and space rental, contact Barbara Lamb at 301-475-0342, e-mail: Nanasrgreat@aol.com or the website at: <http://www.SouthernMDSpringFestival.org>.

Sincerely,

Rev. Jerry Gamrot, Pastor
and the Spring Festival Committee
